## PREFACE

THE PUBLISHERS, in presenting their Fifth Edition of the CITY OF WOODSTOCK DIRECTORY, beg to thank the people of Woodstock for the liberal support they have received.

Every means has been taken to render this Directory accurate and up-to-date in every detail known to progressive Directory Publishers. The work will be published by them every two years, and they hope the merchants and business men generally, who want the very best, will reserve their orders till they see them. Wishing them and the city a substantial advance in everything that conduces to a city's prosperity.

## HARDWOOD FLOORS

are beautiful, economical, durable, healthful and labor saving. They are the common-sense answer to the floor question.

### RATHBONE OAK VENEER FLOORING

can be put down perfectly by any carpenter or by the man of the house if he is handy with tools. Being only three-eighths of an inch thick it is light and easy to handle, and even with strenuous wear it will last longer than the house itself.

### WRITE FOR FOLDER

Write for free folder which gives full particulars. State size of your room and we will quote you cost of flooring in quarter-cut white oak, plain red oak or birch.
